Regular Meetings with Research Scholars and Research Guides

Meetings with Research scholars and Research Guides

- H. G. M. Azam College of Education Research Centre has organized a meeting with Research Scholars and research guides on regular basis to guide them and solve their research work related issues. Head of the research center Prin. Dr. Anita Belapurkar has informed students about rules and regulations of the Ph.D. research work and instructed them to meet research guides once in a month and discuss about research progress. She also instructed about the preparation for six monthly report presentations. ARC Dr. Madhuri Yadav informed research scholars about updating and uploading documents through BCUD login and maintaining the records which research scholars have to submit before pre-synopsis viva.
- Head and Prin. Dr. Anita Belapurkar asked all the research guides to conduct monthly meeting with respective research scholars and help them to complete their research work in a prescribed time.

Regular Guidance:

- Research Guidance is being given to the research scholars from their guides on regular basis. Batch wise meetings were also held for research scholars to discuss and solve their research related issues.
