Placement Cell 2024-25

Institution has an active Placement Cell and conducts on/off campus placement drives. For the academic year 2024-25, various school gave visit to the institution for recruiting student teachers.

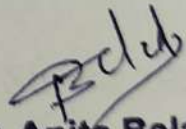

From the beginning of academic year 2024-25, off campus placement drives was initiated as schools were interested to call teacher students in the schools for the process of interview and demonstrations. Many schools took active participation in the off campus placement drive. The students were regularly updated about the advertisements for the same.

With active support and coordination from Dr. Parvez Inamdar Sir, institute has taken initiative for providing placement services off shore also and students interested in pursuing career in foreign countries like Canada. Students were guided and coordinated by Dr. Parvez Inamdar Sir for placements in Canada. Online counselling session were conducted for interested students. A student with 4-year of University Level Degree and IELTS is required and further process of counselling is still going on.

For the academic year 2024 - 25, Job Fair was conducted on Saturday, 1st February, 2025, various schools participated in the Job Fair 2025 for recruiting students' teachers. There was excellent response from the students, alumni, and students from other institutes too. Total 57 students were registered for job fair and 12 schools comprising of IB board, CBSE board and SSC boards, participated

in the job fair. Schools like Euro Kid School Kharadi, Billibong High International school, Neuron Labs School, Anees Defence Career Institute, the Andhra high school, *Anjuman Islam Peer Mohamed High School* etc. participated in the job fair.

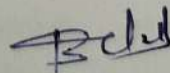

Few schools conducted aptitude test for students, schools were satisfied with the students' performance during interview. They appreciated content knowledge, communication skills of students. Total 46 students were shortlisted by the schools for demo lessons in the schools. Shortlisted students were called by the schools for further interviews and demo lessons. Following table shows the number of students participated in job fair.
