

## Research Committee

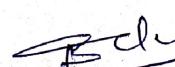

The institution has constituted research committee.

### Objectives of the Research Committee

1. To promote and strengthen a culture of quality research among Ph.D. scholars and faculty.
2. To guide and monitor Ph.D. research work in accordance with university and UGC regulations.
3. To support scholars in selecting relevant, ethical, and socially meaningful research topics.
4. To ensure adherence to research ethics, plagiarism norms, and academic integrity.
5. To facilitate timely progress, review, and completion of Ph.D. research work.
6. To encourage publication of research papers in reputed, peer-reviewed journals.
7. To organize research-related activities such as workshops, seminars, FDPs, and conferences.
8. To provide mentorship and academic support for proposal writing, methodology, and thesis preparation.
9. To promote interdisciplinary and innovative research practices.
10. To assist scholars in research funding opportunities, fellowships, and grants.
11. To appraise the faculty members and the students about the latest development in interdisciplinary research
12. To organize, encourage, maintain and support research activities in the Institution
13. To ensure the maintenance and record of research activities carried out by the faculty members and disseminate research materials for research purpose
14. To formulate and implement policy recommendations for the strategic

### The composition of Research Committee:
